

LEXINGTON CHRISTIAN ACADEMY Business Partner Program

The Lexington Christian Academy Business Partner program is a great way to market your business through one of the largest Christian schools in the country. Now serving more than 1,000 families and nearly 1,600 students, LCA has rapidly become one of the most visible institutions in our community.

In the past 7 years, LCA has raised over \$900,000 through our Business Partner program. These contributions have been utilized for everything from purchasing equipment for the band and drama to building new facilities for athletics. This program has proved to be a vital element for the growth of our school, as well as providing exciting opportunities for our students and families.

By partnering with us you will not only gain valuable exposure for your business, but you will also be contributing to the longevity of our school. You can be excited and proud to know your Business Partner contributions will provide benefits for many years to come.

Please be assured your thoughtful generosity is making a significant and positive difference in the lives of hundreds of Central Kentucky families. The school is seeking to enable all of our students to Learn about God's Word and creation, develop godly Character, and direct their abilities toward God-honoring Achievement.
