### Create a New Student Account

class ID

All students must be enrolled in an active class. To enroll in a class, please enter the class ID number and class enrollment password that you were given by your instructor.

Please note that the password and pincode are case-sensitive. If you do not have this information, or the information you are entering appears to be incorrect, please contact your instructor.

class enrollment password

Provided by your Teacher!

6. You are now setup and ready to go. You can use your username and password you created to log into your Turnitin account on the Turnitin.com website.
7. Once you are logged in, you can add additional classes by going to the Enroll in a Class tab and supplying the Class ID and Class Enrollment Password given to you by your teachers. You can even join different classes from different schools using your same account. Thus, you can use this account at college later on!
