

## How to Download Videos from the Web to Play on Your Computer using Zamzar.com

1. Go to [www.zamzar.com](http://www.zamzar.com) and click on the Download Videos tab.

The screenshot shows the Zamzar.com website in a browser window. The address bar displays 'http://www.zamzar.com/'. The website header includes the Zamzar logo, a 'BETA' badge, an email address field, and 'Login | Register' buttons. A navigation menu contains 'Home | Manage Files | Conversion Types | Tools | Blog | FAQ | Pricing & Signup'. A banner image of two chameleons is on the left, and a blue box on the right contains the text: 'Have you ever wanted to convert files without the need to download software?'. Below the banner is a 'Want more from Zamzar?' section with a 'NEW' badge and four bullet points: 'Convert 1GB files', 'Convert faster', '100 GB inbox', and 'No ads'. The main content area has three tabs: 'Convert Files', 'Download Videos', and 'Manage Files'. The 'Download Videos' tab is selected and circled in black. A callout box with the text 'Click Here!' points to this tab. Below the tabs is a four-step conversion process:

- Step 1**: Select files or [URL](#) to convert (up to 100MB - [want more ?](#)). Includes a 'Browse...' button.
- Step 2**: Choose the format to convert to: Includes a 'Convert file(s) to:' dropdown menu.
- Step 3**: Enter your email address to receive converted files: Includes an empty text input field.
- Step 4**: Convert (by clicking you agree to our [Terms](#)): Includes a 'Convert' button.

2. In Step 1, paste in the URL (web address) of the video you want to download. Hint: In another browser window, go to the desired video and highlight the web address in the address bar. Press Ctrl+C on your keyboard to copy the address. Click back over to the window with Zamzar. Click inside the Step 1 box and press Ctrl+V to paste the copied address into this location.

3. Choose the WMV video format for Step 2.

## How to Convert PDFs to Word Docs using Zamzar.com

1. Click the Browse button on the Convert Files tab. (This is the default tab when you visit [www.zamzar.com](http://www.zamzar.com).) Use the dialog box that comes up to browse the files on your computer to locate the PDF file that you want to convert.

The screenshot shows the Zamzar.com website interface. At the top, there is a navigation bar with the Zamzar logo, a "BETA" badge, and a "Free online file conversion" tagline. To the right, there are input fields for "Email address" and a password field, along with "Login" and "Register" buttons. Below the navigation bar, there is a banner image of two chameleons. To the right of the image, there is a blue box with the text: "Have you ever wanted to convert files without the need to download software?". Below the banner, there is a yellow "NEW" badge and a box titled "Want more from Zamzar?" with four bullet points: "Convert 1GB files", "Convert faster", "100 GB inbox", and "No ads". Below this, there are three tabs: "Convert Files", "Download Videos", and "Manage Files". The "Convert Files" tab is selected and highlighted in green. Below the tabs, there is a four-step process:

- Step 1**: Select files or [URL](#) to convert (up to 100MB - [want more ?](#)). There is a text input field and a "Browse..." button.
- Step 2**: Choose the format to convert to: "Convert file(s) to:" with a dropdown menu.
- Step 3**: Enter your email address to receive converted files: There is a text input field.
- Step 4**: Convert (by clicking you agree to our [Terms](#)). There is a "Convert" button.

2. Under Step 2, choose Doc as the format to convert to. (See example below.)
