

Announcing a New Program Designed Specifically for LCA Families!

# LCA is Partnering with America's Favorite Retailers to Lower Your Tuition!

LCA is excited to announce the introduction of a SCRIP program, which we are calling the Eagle Tuition Incentive Program, or E-TIP! The E-TIP program is a tuition credit initiative designed to lower the cost of Christ-centered education.

Here is how it works. With E-TIP, your family simply does their regular shopping using gift certificates from America's leading retailers (e.g. Kroger, OfficeMax, Wal-mart). With each purchase, your family earns discounts that can be converted to tuition credit for your child(ren). Through the E-TIP program, everyone wins – retailers get repeat business from loyal customers, families receive tuition credit to help cover school charges, and the school helps make the cost of Christ-centered education more affordable.

Through the E-TIP program, gift certificates from hundreds of trusted national and local retailers may be purchased, and they are offered at the deepest discounts available.

LCA is eager to share how this powerful, yet convenient, program can save you money!

Please attend the Parent Information Night to learn more about how you can generate tuition credit for your family.
