

## Star Student

Each student will be highlighted for a week during our year together. On the Friday before your child's week to be star student, I will send a poster home for them to decorate. There are places on the poster to add pictures, draw, and fill in blanks that help us to honor your child. The poster should come back to school the following Monday so that we can hang it in the room for the week.

These are additional activities that your child may enjoy. Feel free to do them all, or choose one or two...

1. Bring in a special snack for the whole class.
2. Have mom and/or dad (or a grandparent) come and read to the class.
3. Bring 2 favorite toys that fit in his/her backpack to school on Friday to show to the class.
4. Bring a favorite Christian CD to listen to at rest time.
5. Bring a small stuffed animal to snuggle at rest time EVERY DAY of your week!!
