LCA Junior High 8th Grade Service Day

Date: Friday, November 4, 2011

Time: 5th – 7th periods (12:30pm – 3:15pm)

Location: Local Outreach Locations

Cost: \$0

Description: Parents, it's time for 8th Grade Service Day! If you are unfamiliar with our service days, on November 4th, all 8th graders will be going to various community locations to offer their help. These locations include places such as God's Pantry, the Ronald McDonald House, local nursing homes, and our own LCA elementary campuses. Participation in this event is required (and attendance will count). Students will sign up for a location of their choice in Bible class prior to the event. *Please note, during sign up day, students may reserve a spot at a location only if they have turned in their signed permission slips.*

Service is an integral component of LCA's Christian mission, and at each academic level, students participate in missions and outreach in order to foster hearts of service as modeled by our Lord Jesus Christ. We are blessed to have the opportunity to commission the 8th grade students to serve our neighbors in the Lexington community one day each year. We appreciate your support and partnership as we encourage students to develop hearts for Kingdom service.

Parent drivers needed! We are in need of parents who are willing to drive and/or chaperone a small team of students at a service location. Please consider this opportunity to serve alongside your students. If you are able to partner with us on the 4th, please make note of this on your student's permission slip.

Questions? Please contact Ms. Erena (lerena@lexca.org) if you have any questions.
