

Happy December! We definitely know it's Christmas when we are bundled up and seeing our breath on the playground! Don't forget to send coats, mittens, and hats with your child.

We have lots of exciting activities coming up throughout the month of December, so don't forget to check the Campus Connection, each teacher's Eaglepoint, and our newsletter!

Continue practicing with your child on their cursive. They are doing an amazing job and we are excited to see what they can achieve! Miss Pratt, Mrs. Branstetter, and Mrs. Ballard

Important Dates:

Dec. 12-Christmas Program (7pm in Sanctuary)

Dec. 15-How Things Move Test

Dec. 16-Half Day/Christmas Party

What Are We Learning?

Math- Subtraction to 1,000. We are working on subtraction with basic facts, as well as counting back and fact families.

Unit-How Things Move. We are exploring words such as force, pull, push, and friction.

Math Corner:

Grab something edible and fun (like marshmallows or chocolate chips). Put out a certain number and tell a word problem where your child has to take some away. Have them write the problem. Do a few more, let them create some, and EAT your problems!

It's Christmas Time in 2nd Grade!

December 1-7, 2011

PRETEST on Wednesday

TEST on Friday (do not have to take if they pass the pretest)

Bible:

Send back in the perforated bottom section of the Bible sheet each Friday!

Chapel-10:15 on Thursdays

Memory Verse:

Due on Friday, December 9

So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. He went there to register with Mary, who was pledged to be married to him and was expecting a child.

Luke 2:4-5
