| 15. February | 16. himself |
| 17. shadow | 18. prism |

Wednesday: PRETEST

Friday: TEST

2nd Graders are learning...

MATH: Money has been the topic of Math this week. We will be reviewing the value of coins, and then adding them together. Have a bowl of coins at home? Let your child count them up!

UNIT: This week we have been discussing light. Ask your child more about what colors absorb and reflect light!

Bible:

Chapel-10:15 on Thursdays

Don't forget to send back in the perforated section of the Take-Home sheet!

Memory Verse: Psalm 1:1-

Blessed is the man who does not walk in the counsel of the wicked, or stand in the way of sinners, or sit in the seat of mockers.

It's Winter Time in 2nd Grade!

February 2-8, 2012

It is so hard to believe that it is February, and that we have not had ANY snow days! We have enjoyed being able to run and play (sometimes even without coats!) on the playground. Continue sending in coats just in case we get to enjoy the outdoors!

With the change in weather daily, we do have changes in how we feel. Check with your teacher to see if any supplies like Kleenex or wipes are needed.

Our first month of reaching 8,000 words is over! Keep encouraging your child to read each night so that they can meet their monthly goal. We are starting fresh, so they can do it!

Don't forget to send in those box tops. The race is looking close, and we are excited to see who wins!

Miss Pratt, Mrs. Branstetter, and Mrs. Ballard

Important Dates:

February 9-Midterms

February 9-TCP Preview Night

February 14-Valentines Party!

February 17,20-NO SCHOOL!

March 5-9- Book Fair

Don't forget! Each week, we do expect homework to be done on Mondays, Tuesdays, and Thursdays. XTra Math is our new math website that can be done throughout the week as well. Thank you!
