

Wow. It is hard to believe that it is already November! Our students have even commented about how quickly this year is flying by!

We are thankful for all of the drivers and chaperones that were able to attend our trip to the Living Arts and Science Center. What a great day we had, learning more about habitats. We were all impressed with how much our students knew...and hopefully we impressed the staff there!

Miss Pratt, Mrs. Branstetter, and Mrs. Ballard

Important Dates:

Nov. 4-Habitats Test

Nov. 11-LCA Benefit Banquet

Nov. 23-25- Thanksgiving Break (NO SCHOOL)

What Are We Learning?

Math-We are continuing to learn more about adding 2-digit numbers and regrouping. We will soon move on to addition with 3-digit numbers!

Habitats-Test on Friday, please review items in their Science folders!

Math Corner:

Using the playing cards from A-9, have your child create a 2-digit number. Then, create another 2-digit number and place underneath. They have created an addition problem! Have them work the problem and regroup if they need to. Challenge them to use mental math to solve the problem.

2nd Grade Is Amazing!

Nov. 3-9, 2011

Spelling: Week 12

REVIEW WEEK!

No Spelling Test- but please continue to practice and go over spelling words up until now.

Reading:

Starting in January, we will begin taking grades on the number of words your child has in Reading Counts. To continue having them strive to reach 5,000 words, please encourage your child to read each night, even after they finish their homework! We love their excitement to read and want to keep them motivated to do so.

Bible:

Send back in the perforated bottom section of the Bible sheet each Friday!

Chapel-10:15 on Thursdays

Memory Verse:
Due on Friday, November 11-

Deuteronomy 4:4-5
Hear, O Israel, the LORD our God,
the LORD is one.
Love the LORD your God with all
your heart and with all your soul
and with all your strength.
