

Important Dates:

Sept. 9-Science Test

Sept. 13- Picture Day!

Sept. 20-Grandparents Day

We LOVE 2nd Grade!

Sept. 8-14, 2011

Math Corner:

Have your child determine the correct number by hints that you give for a 2-digit number. For instance, this number has 6 ones and 4 tens. This number is $40+6$, etc... Each time your child guesses correctly, they earn a point. If they get 10 points, then they get a prize (a high-five, piece of gum, etc...) ENJOY!

In Today's Thursday Folders:

Invitations for Grandparent's Day

Happy Thursday! We hope that you had a wonderful and relaxing Labor Day...as we have had a great week back to school after our 3-day weekend!

Just a few reminders:

Dress Code- If your child has a feather in their hair (girls) or their hair is long over their ears or past their collars (boys), please make sure it is cut. This is just like the older grades are required to do.

School starts promptly at 8:30. We will start closing our doors , so please make sure your child is here before then!

Miss Pratt, Mrs. Branstetter, and Mrs. Ballard

Bible:

We started our new Bible Curriculum TODAY in Chapel! The students were introduced to new characters that they will see from week to week. Please make sure you ask them about this!

Memory Verse: For Sept. 16

First 27 books of the Old Testament :
