

MRS. MESSINGER'S MEMO

Dec. 15, 2011

LCA

Tates Creek
Campus

Here's What's Happening This Week

Spelling

Enjoy a couple of weeks without spelling words☺. Then as the new year starts, the children will have the following list: go, so, boat, no, coat, rode, home, hope, old, told, give, said, *begin, *going, *together. Thanks for your work during the first semester.

Memory Work

We have learned the books of the Old Testament by song, and in January, we will learn the books of the New Testament.

Math

When the break is over, we will continue to work on strategies for adding and subtracting numbers to 20. Please do not forget our money cards. You can get free applications for your iphones on counting coins.

Miscellaneous

*Thanks you for coming to hear the children sing on Monday evening. They sounded beautiful!

*Mission Project: Items for needy children (mittens, gloves, socks).

*Unit Time: After the holiday, we will learn about recycling.

*Student boxes will come home for cleaning over the break.

Christmas Party

Come and help us celebrate Jesus' birth at our party on Friday, at 9:30. Students may bring mittens, gloves, and/or socks to put under our tree. God's Word tells us that in doing for the least, it is like doing for Jesus.
