Campus

Here's What's Happening This Week

Math

Spelling & Reading

Next week we will be working on Christmas words. They are: Jesus, Christmas, peace, manger, joy, red, green, light, gift, star, sheep, angel. Please help your child watch for the words that have to be capitalized.

Please make plans now to have your child read at least 10-15 minutes a day over the break. If they don't they will lose a lot of their fluency.

The children will continue to work on addition and subtraction of numbers to twenty and on place value. It is also important to be working on the money flashcards. We will begin flashcards memorizing facts (+ -) after the holidays.

Service Project

Please remember we are bringing in mittens, gloves, and socks for the Appalachia Mission of Hope from now until December 16th. I know all of you are very generous, and there are a lot of things to give to over Christmas, but if you can, please help.

Bible

Luke 2:4-7

"So Joseph also went up from the town of Nazareth in Galilee to Judea, to Bethlehem the town of David, because he belonged to the house and line of David. He went there to register with Mary, who was pledged to be married to him and was expecting a child. While they were there, the time came for the baby to be born, and she gave birth to her firstborn, a son. She wrapped him in cloths and placed him in a manger, because there was no room for them in the inn."

Our Christmas Party is on the early dismissal day before Christmas Vacation, Dec. 16th at 9:30 in our room. We will have centers for the children to move around to, and we will need parents to help with these. Mrs. Hall will be contacting you about that and food for the party. I hope many of you can be there.

Do you recognize any of these suspicious looking people? They were in our room on Monday, and they just do not look familiar.

The children are working hard to earn their Christmas stocking each day, and I think they are enjoying them.

(Averie was absent on the day we took this photo, and we missed her 😞.)
