

# MRS. MESSINGER'S MEMO

Nov. 17, 2011

LCA

Tates Creek  
Campus

## Here's What's Happening This Week

### Spelling

We will not have a spelling test next week, November 24-28. Our words for the week after Thanksgiving will be: boy, boys, box, boxes, dog, dogs, tent, tents, about, how, \*maybe, \*never, \*count.

Phonics sounds: /ong/ and /ung/

### Bible

We will work on Deuteronomy 6:6, "These commandments that I give you today are to be upon your hearts." We will put this with verses 4 and 5.

### Math

After Thanksgiving, we will work on addition and subtraction of numbers to twenty. During our calendar time, we work with place value, patterns, money, time, and problem solving daily. We will be adding measurement and estimation to our routine.

### God's World

We will read and learn about Thanksgiving and practice for our play until after the holiday. Then we will begin our unit on Christmas around the world. First grade learns about Holland and Israel. We will take one week for each, then we will spend the rest of December placing our emphasis on the birth of our Lord, Jesus. What a privilege it is to be in a school where we can do that.

### Thanksgiving Program

On Tuesday, November 22, at 1:45, we will have our Thanksgiving program and feast. Please be a little early, so we can start right at 1:45, and the children get worried when other parents are here, and theirs are not. If you cannot be here, let me know. I want every child to have someone special here for them. They are very excited!
