## Here's What's Happening This Week

### Spelling and Phonics

The words for next week will be: ball, call, fall, hall, mall, tall, talk, walk, your, do, \*square, \*chalk, \*cloudy.

Please help your child watch for the following sounds as they read to you this week: all, alk, oo as in book and tooth, wor, igh, kn, gn, and the suffix -ing.

### Thanksgiving Program

We will be finishing our unit on the sun, moon, and stars, and start learning about Thanksgiving. The children will be doing a program in the classroom, and we will have a finger feast on Tuesday, November 22 at 1:45. If you know your child will not be here on that day due to travelling, please let me know as I am dividing up what they will be doing. This is a really fun month for all of us.

### Bible

Deuteronomy 6:4-6 will be our memory work for November. Next week will be verse 4. "Hear, O Israel: The Lord our God, the LORD is one."

### Math

The children are becoming very familiar with addition and subtraction, and we are now working on shapes and solids. We will continue to work on problem solving as well. Look for opportunities to use math talk at home.

### Reading Counts

The children read 446,654 words for the month of October. I am really proud of them for working so hard. They will get to keep the trophy, and this Friday we will have a jeans, movie, and special snack during the the movie day.
