

MRS. MESSINGER'S MEMO

Sept. 22, 2011

LCA

Tates Creek
Campus

Here's What's Happening This Week

Spelling and Bible

Our Spelling words for next week are: in, it, is, big, did, rip, him, fix, of, was, *been, *call, *fast

Our memory work is to know the books of the Old Testament. We have learned them by song in class.

Field Trip

Our class will be going on our first field trip on Tuesday, October 4th. We will go to Salato Wildlife Sanctuary in Frankfort. You will find a permission slip in your child's Thursday folder today. The cost is \$2.00 per person (cash only), and that is to cover the fee to use their shelter for lunch. Everyone will need to pack a disposable lunch and drink. Children may wear jeans and a uniform shirt.

God's World

Next week we will continue to learn about our wonderful country and some of the people that helped make it great!

Math

We will start working with addition next week and learn the words addend and sum. We have been talking about addition in the terms of part part whole. I feel the children will do very well.

Phonics

Please use your child's Handbook for Reading to work on the following special sounds through the week. They are found on pages 75, 79, and 80-84. This will help your child in reading group and phonics.
