

Small reading books will be coming home in the homework folder. Read through these with your child. We will be reading them together as well. Once they have received a small sticker on the front the book may be kept at home.

**Bible Verse:**

**The New Testament Books**

**Parents:**

It sounds like each of you had a wonderful Christmas break. Your children have worked very hard this week. I am so proud of them.

Continue to work with your child on coins (names, values and making trades). They have done a wonderful job with addition. It was not formally assessed this quarter for grade cards, but I assessed in class. Each child did a wonderful job!

Have a fabulous weekend-

**Mrs. Clark**

Inside your Thursday folder you will find a snowman/woman to decorate. Enjoy this project. The only rule is to have fun!
