LCA

Tates Creek
Campus

Monday, Jan. 30th is **100th DAY**

Bible

Next week we will
memorize the first
23 + 1, 2 & 3
John, Jude and
Revelation

God's World

We will be
studying
about the
Weather

Spelling

Our words will be:
noon, food, good, took,
zoo, book, soon, look,
foot, cool, many, he,
*leave, *stood,
*classroom.

Math

We will continue
studying about
length and graphs.

Phonics

We will be learning that
when a root word ends with
silent e we drop the e before
adding the suffix. 😊 We will
be reviewing that we double
the final consonant in a one
vowel work before adding ed
or ing.

Mastering Math

I am sending home some information about a new math resource now available to our class. It is called XtraMath. It is a web-based program that will help your child increase their speed and accuracy in math. We have downloaded the program on our classroom computers but not yet used it. I wanted their first experience to be with you at home on their own computer. The letter explains how to sign on at home and get your student started
